8x5mm Black Tourmaline Faceted Ovals - 4 ovals

6x4mm Red Coral Natural Beads - 4 beads

Tools:

Crimping Pliers

Cutters

Bead Stoppers

Instructions:

1. Cut 4" of Copper wire. Use both ends of the wire to string 1 crimp tube. Place the tube so there is a small loop of wire, and crimp. Use one end of the wire to string 1 Coral bead and 1 crimp tube. Place the tube so there is about 1/8" to 1/4" of tail wire and crimp. Use the other end of the wire to string 1 Black Tourmaline oval and 1 crimp tube. Place the tube so there is about 1/8" to 1/4" of tail wire, and crimp.
2. Repeat Step 1 using Coral wire.
3. Use 5" of Onyx wire to string 1 crimp tube and 1 ear wire. Pass back through the tube, leaving a small loop, and crimp.
4. Use the working end of the wire to string 1 copper lantern bead, 1 pearl, 1 copper lantern bead, 1 crimp tube, the loop formed in Step 1, 1 Black Spinel drop, and the loop formed in Step 2. Pass the very end of the Onyx wire back through the crimp tube and crimp, leaving a large loop of Onyx wire beneath the pearl.
5. Repeat Steps 1 to 4 for the second earring.

Projects not intended for children under the age of 13.
