

Soft Flex® Seamless Crimp Tubes

We have constructed a crimp tube that is almost twice as thick as others on the market. The sturdier build of the crimp is enhanced by the fact that they are also seamless. When used with the correct diameter of wire and crimping pliers, you are sure to have a solid design.

Made in the USA

COPPER CRIMP TUBES

Count	Size	Product ID #
20	2mm x 2mm	2MMCPRCR20
50	2mm x 2mm	2MMCPRCR50
